PROTECTING THE REGION SINCE 1960

Oriental Insurance

(Motor Insurance, Marine Insurance, Fire Insurance, Health Insurance)

Ever since our inception in 1960, we have been committed to working hard for our customers, taking the time to listen and going the extra mile to find you not **just the best, but the most compatible insurance available**. This personal approach, has been and will always continue to be the cornerstone of our business and has helped build long term client relationships, with complete customer satisfaction

which has always been our most important and non-negotiable objective.

But it's our people and their dedication to our customers that has made the biggest difference and this commitment from every single one of our associates has been instrumental in earning the trust of our customers over the years.

We offer a wide range of insurance products; from health and motor to a wide suite of corporate options. From car insurance to personal accident cover, marine insurance to corporate health plans, we offer insurance products that ensure the important things in your life are well protected.

With Oriental Insurance, you will have the confidence and peace of mind to be ready for whatever life has to throw at you. So rest easy... knowing we have you well covered!

The Oriental Insurance Co. Ltd. was incorporated in India in 1947. The Company is 100% owned by the Government of India thus providing it with sovereign security and the confidence to endure and prevail through any global downturns. The company has over the past 6 decades, grown into being one of the giants in the field of General Insurance in India and abroad. Along with its head Office at New Delhi, the company has 31 Regional Offices and over 1,800 operating offices across the country and international offices in Dubai, Kuwait and Nepal.

The Company is a pioneer in laying down systems for smooth and orderly conduct of the business. The strength of the company lies in its highly trained and motivated work force that covers various disciplines and has vast expertise. The company has developed various types of insurance covers to cater to the needs of both the individual as well as corporate sectors. The Company has a technically qualified and competent team of professionals to render the best customer service.

The Oriental Insurance Company Dubai was established in 1960 and operates through its Chief Agency **ARMAB INSURANCE WORKS LLC**. The spell of over 6 decades in the region, bears testimony to the faith our clientele have in our quality of service and diversity of tailor-made products.

In addition to our existing suite of products and services, our vast underwriting capacities and financial strength allows us to provide support to other insurers operating in GCC states by way of Facultative Re-Insurance on various risks. Our underwriters also work closely with insurance brokers looking to create more bespoke covers, to ensure the best possible level of cover for their clients.

Householder's Insurance

Whether you're a home owner, a landlord or even a tenant, you may have wondered about the value of Householder's Insurance. Do you really need it? Your home is likely one of, if not the most, valuable assets you have. Householder's Insurance helps protect that investment – and you – in a variety of ways.

Householder's Insurance covers losses and damages to your home and most importantly to assets in the home. Householder's Insurance also provides coverage against legal liability caused due to accidents in the home or on the property.

Personal Accident Insurance

Let's face it. No matter how cautious you are and how many precautions you take, accidents will happen... Anytime and anywhere! God willing they are small, but sometimes they can be quite tragic resulting in disablement, loss of limbs or even death. Oriental Insurance offers Personal Accident Insurance for just such events as it covers the policyholder against death or disability due to an accident.

Motor Insurance

We offer a Comprehensive Insurance cover for motorcycles which includes damages caused due to theft, accident and fire. It also includes third party insurance i.e. damages caused by your motor cycle to any other party or vehicle. If your business has more than 2 motor cycles.
